

10 Year COLOURED Cellular PVC-u Guarantee

If the Coloured PVC-u Installation and Maintenance Guidelines and the Kalsi Plastics Specification Guides for Roofline and Cladding are followed, and the specifier and installer fulfil their installation-related responsibilities, Kalsi Plastics guarantees that Black, Brown, and White PVC-u profiles supplied under the Kalsi Plastics brand will maintain their colorfastness and mechanical function for ten years, under natural weathering conditions, from the date of manufacture provided.

- This guarantee will only be applicable to defects that manifest within ten years of the product's manufacture date and that Kalsi Plastics receives written notice of within twenty-eight days of the defect's emergence.
- Kalsi Plastics makes no other representations or guarantees, and in no event shall Kalsi Plastics be liable for any other loss or damage, whether direct or indirect (including but not limited to the cost of installation).
- The sole and exclusive remedy with regard to the above Guarantee is limited to the repair or supply of replacement profiles, at Kalsi Plastics' discretion.
- Any profile coated in any other substance is not covered by this guarantee.
- Further guarantees are not provided with regard to performance under abnormal weather conditions, fair wear and tear, harsh industrial conditions (including extremely high or low temperatures), improper applications, malicious or unintentional damage, or durability, impact resistance, abrasion resistance, stain resistance, resistance to scratching, tensile strength, or tearing strength.
- This guarantee is only valid for the profiles' final usage in the United Kingdom, at elevations lower than 1800 metres above sea level, and in environments where the profiles were installed and stored in temperatures between 0° and 30°C.
- Claims related to this guarantee will only be fulfilled after Kalsi Plastics has inspected and approved them and when proof of purchase is provided.
- There is no coverage for any part of the Profile installation process under this guarantee. It is advisable to acquire an independent installation guarantee from the installer.
- If parts of the installation include components from another manufacturer, the guarantee will not be applicable.

Furthermore, Kalsi Plastics standard terms of business will be applicable.

This Guarantee shall be understood and construed in conformity with English law, and the exclusive jurisdiction of English courts shall apply.

This Guarantee does not impact a consumer's statutory rights.
